ABOUT CANDA Solutions

CANDA provides Enterprise Personnel Risk Management software that enables efficient and compliant Industrial Security processing. Our public and private sector work experience positions us to support the missions of the Warfighter, the National Security workforce, and Corporate entities.

HOW WE MAKE A DIFFERENCE

CANDA has public and private security domain experience which enables up-to-date alignment of policy and software, keeping our customers on the forefront of the latest risk mitigation methods. We provide a way to analyze, process, adjudicate, store, report and trend information of interest in a safe and secure manner.
